DATE: November 8, 2016

TO: South Central Workforce Council

FROM: David Gonzales, Program Manager

SUBJECT: New Dislocated Worker Rapid Response Funds

The South Central Workforce Council is eligible to receive **\$118,735** in Rapid Response Dislocated Worker funding, which is part of **\$1.47 million** being released to WDC's. The purpose for this funding is to increase the number of dislocated workers who receive services and find jobs.

South Central is proposing to increase dislocated worker enrollments by 12 and place 10 of these workers in jobs above its program year 2016 targets and to allocate funds as outlined below.

Proposed Participant Targets			
	PY16 Target	Rapid Response \$	TOTAL
Dislocated Worker Enrollments	247	12	259
Dislocated Worker Job Placements	114	10	124

South Central's dislocated worker service provider, People for People shall carryout services with following proposed allocations of funds.

Proposed Allocation	
WDC Administrative Funds	\$11,874
People for People Program Funds	\$106,861
Total Rapid Response Funds	\$118,735

**Recommendation: Board approval for the additional dislocated worker participant targets and the allocation of Rapid Response funds outlined above.**
