

MEMORANDUM

DATE: January 10, 2017
TO: South Central Workforce Council
FROM: Tamara Bosler, SCWDC Program Manager
SUBJECT: **Additional WIOA Youth Funds**

The request for consent regarding the additional funds to our WIOA Youth grant is to add \$23,637 to the program funds and \$2,626 to the WIOA Administrative funds. The funds are from Program Year 15, being reallocated to local areas. Due to the timeframe of the funds, we have until June 2017 to spend, but there is no increase in participant as Washington State indicated "Although the period of performance for budget extended through June 2017, the performance period for the participant planning forms ended in June 2016, ESD will use your original participant planning form to complete the grant modifications".

Please approve through the consent agenda the acceptance of the additional funds to the WIOA Youth Program of \$23,637 and WIOA Administration of \$2,626.
