

## MEMORANDUM

DATE: February 13, 2018  
TO: South Central Workforce Council  
FROM: Leanne Liddicoat, Youth Committee Chair  
SUBJECT: Youth Committee Action Items

---

---

The South Central Youth Committee met on January 18th. From the meeting, two agenda items are in need of WDC approval before finalization.

### **Membership:**

One priority was to vote on the replacement membership for two Committee resignations. Christina Harlan to replace John Pascua, representing Justice/Law Enforcement. The Youth Committee reviewed the application, and contingent on WDC approval, voted to accept the membership of Christina Harlan.

**Therefore, on behalf of the Youth Committee, we request WDC approve the Youth Committee's action to accept Christina Harlan as a member.**

### **Award Approval**

South Central Workforce Council had previously consented to pursue grant funds for a STEM connected project focusing on apprenticeship opportunities. Since then the Council has been updated frequently including both November and December 2017 meetings. To that end the Council proposed and received project funding in the amount of \$831,984 for the Career Connected Learning Grant. The project will be implemented within the south central WDC region, and has a number of subcontracts included. A memo from Tamara Bosler regarding the project summary is included for your review.

**The Youth Committee request WDC approval to accept the Career Connect funds and complete the sub contracts as presented in the proposal.**
